

WEDNESDAY MARKET DAY AT SAN MIGUEL

From Las Ramblas, turn left onto main road and at little roundabout, take 1st exit on the San Miguel de Salinas road.

Follow road past parade of shops and go over the next roundabout with the supermarket on your right hand side.

Just follow this road all the way to San Miguel.

The market is held just outside of the town and you should pick up signs or just follow the other cars!!

Lunch after market

For a tapas lunch, follow road out to Bigastro.

Before you get to Bigastro, you will see a large restaurant on the right hand side called "Restaurant La Forteleza".

Good place to go for a tapas lunch or other food too. Frequentated by local Spaniards – so food is good.
