

QUESTIONNAIRE RE YOUR STAY @ 822 CALLE ANFORA, LAS RAMBLAS

Names	Mr & Mrs Ed Holmes
Period stayed	17th to 31st July 2009
Q1	Did you find our website easy to use?
A1	Yes.
Q2	Was the booking processed to your satisfaction?
A2	Absolutely.
Q3	Was the information you received before you went to our apartment to your satisfaction?
A3	This being our second visit we knew what to expect and were pleased that everything was as remembered.
Q4	Were the directions to our apartment satisfactory?
A4	Again having been before we knew where we going, but still needed the initial directions on leaving the airport to ensure we were on the correct road!
Q5	Was your check in by Myra satisfactory?
A5	Yes.
Q6	Were they friendly and helpful?
A6	Very.
Q7	Was everything ready for your arrival?
A7	Yes.
Q8	Was the apartment clean & tidy?
A8	Very – one of the reasons for the second visit.
Q9	Did Myra explain all details to you (e.g. alarm code)?
A9	Yes.
Q10	Did Myra carry out the inventory check with you on arrival and on departure?
A10	Yes.
Q11	Did you find the apartment well equipped?
A11	Yes, especially the air conditioning. As mentioned before it was very efficient – it only need switched on in the bedrooms 20 minutes before retiring for the night for a comfortable sleep. Should you decide to prepare a meal and eat in as we did on a few occasions, everything you require and more is there.
Q12	Did you find the Information folder useful?
A12	Yes – we used it more this year as we ventured further afield.
Q13	Did you discover any good restaurants or days out which you would recommend?
A13	Plenty of choice at the nearby La Fuente and Villamartin centres and we'd always recommend Alexandro's at La Zenia, especially with younger kids. Good choice and friendly service. The two beaches at nearby Cabo Roig (mentioned in the folder) are also worth a visit.

	<p>We didn't go last year and didn't realise what we were missing until this year.</p> <p>We also took a 2 hour trip north to Benidorm for the day – it wouldn't normally be our choice of destination for a holiday but it was a good day out and something a bit different.</p>
Q14	Would you visit again or recommend us?
A14	Yes on both counts.
Q15	Any other comments?
A15	Thanks again for the use of your apartment....!
